Response to IDS Filed After Notice of Allowance

The Information Disclosure Statement (IDS) submitted 23 May 2005, which was filed after allowance but before the payment of issue fee, will not receive review of its disclosed information, because the IDS submission does not meet the requirements for consideration of after-allowance statements.

Specifically, the IDS fails to comply with 37 CFR 1.97(d) because it lacks a statement as specified in 37 CFR 1.97(e).

The IDS has been entered in the Application file, but the submitted information has not been considered.
